WATERLOO

Intro 4 bars

My, my, at Waterloo Napoleon did surrender
Oh yeah, and I have met my destiny in quite a similar way
The history book on the shelf is always repeating itself

Waterloo – I was defeated, you won the war
Waterloo – promise to love you for ever more
Waterloo - couldn't escape if I wanted to
Waterloo – knowing my fate is to be with you
Woah, Woah, Woah, Woah
Waterloo - finally facing my Waterloo

(Ahhh...)

My, my, I tried to hold you back but you were stronger
Oh yeah, and now it seems my only chance is giving up the fight
And how could I ever refuse, I feel like I win when I lose

Waterloo – I was defeated, you won the war
Waterloo – promise to love you for ever more
Waterloo - couldn't escape if I wanted to
Waterloo – knowing my fate is to be with you
Woah, Woah, Woah, Woah,
Waterloo - finally facing my Waterloo

And how could I ever refuse- I feel like I win when I lose

Waterloo - couldn't escape if I wanted to
Waterloo – knowing my fate is to be with you
Woah, Woah, Woah, Woah –
Waterloo - finally facing my Waterloo
ooh, ooh, ooh,
Waterloo – knowing my fate is to be with you
Woah, Woah, Woah, Woah
Waterloo - finally facing my Waterloo
ooh, ooh, ooh,
Waterloo – knowing my fate is to be with you

ANY DREAM WILL DO

Intro 4 bars

I closed my eyes, drew back the curtain
To see for certain what I thought I knew
Far, far away, someone was weeping
But the world was sleeping. Any dream will do

(sing additional parts on this verse if you'd like to)

I wore my coat, with golden lining
Bright colours shining, wonderful and new
And in the east, the dawn was breaking
And the world was waking. Any dream will do

A crash of drums, a flash of light
My golden coat flew out of sight
The colours faded into darkness; I was left alone

May I return to the beginning
The light is dimming, and the dream is too
The world and I, we are still waiting
Still hesitating. Any dream will do

Any dre-am. Any dream will
Any dre-am. Any dream will
Any dre-am. Any dream will
Any dre-am. An-y dream.. will.. do

DAYDREAM BELIEVER

Intro 4 bars

Oh, I could hide 'neath the wings
Of the bluebird as she sings.
The six o'clock alarm would never ring.
But six rings and I rise,
Wipe the sleep out of my eyes.
My shavin' razor's cold and it stings.

Cheer up, Sleepy Jean.
Oh, what can it mean.
To a daydream believer
And a homecoming queen.

You once thought of me
As a white knight on a steed.
Now you know how happy we can be.
Oh, and our good times starts and end
Without dollar one to spend.
But how much, baby, do we really need.

Cheer up, Sleepy Jean.
Oh, what can it mean.
To a daydream believer
And a homecoming queen. **(REPEAT)**

Instrumental 4 bars

Cheer up, Sleepy Jean.
Oh, what can it mean.
To a daydream believer
And a homecoming queen. **(REPEAT)**

AMARILLO

(STRAIGHT IN)

Sha la la lala lalala, Sha la la lala lalala, Sha la la lala lalala

6 bars

When the day is dawning on a Texas Sunday morning
How I long to be there, with Marie who's waiting for me there

Every lonely city (Oh, wo wo wo) where I hang my hat (Oh, wo wo wo)
Ain't as half as pretty as where my baby's at

Is this the way to Amarillo? Every night I've been hugging my pillow
Dreaming dreams of Amarillo and sweet Marie who waits for me

Show me the way to Amarillo. I've been weeping like a willow
Crying over Amarillo and sweet Marie who waits for me

Sha la la lala lalala, Sha la la lala lalala
Sha la la lala lalala and Marie who waits for me

There's a church bell ringing. Hear the song of joy that it's singing
For the sweet Maria and the guy who's coming to see her
Just beyond the highway, there's an open plain
And it keeps me going through the wind and rain

Is this the way to Amarillo? Every night I've been hugging my pillow
Dreaming dreams of Amarillo and sweet Marie who waits for me
Show me the way to Amarillo. I've been weeping like a willow
Crying over Amarillo and sweet Marie who waits for me

Sha la la lala lalala, Sha la la lala lalala
Sha la la lala lalala
(LOUDLY) And sweet Marie who waits for me!

HEY JUDE

Intro 2 bars

Hey Jude, don't make it bad.
Take a sad song and make it better.
Remember to let her into your heart,
Then you can start to make it better.

Hey Jude don't be afraid.
You were made to go out and get her.
The minute you let her under your skin,
Then you begin to make it better.

And anytime you feel the pain, hey Jude refrain,
Don't carry the world upon your shoulders.
For well you know that it's a fool who plays it cool
By making his world a little colder. Nah na na etc

Hey Jude, don't let me down.
You have found her, now go and get her.
Remember to let her into your heart,
Then you can start to make it better.

So let it out and let it in, hey Jude begin,
You're waiting for someone to perform with.
And don't you know that it's just you, Hey Jude you'll do,
The movement you need is on your shoulder. Nah nah nah etc ...

Hey Jude don't make it bad.
Take a sad song and make it better.
Remember to let her under your skin,
Then you'll begin to make it
Better better, better, better, better, better, oh.

Na, na, na, na,na, na na na, hey Jude ...
Na, na, na, na,na, na na na, hey Jude...
Na, na, na, na,na, na na na, hey Jude
Quieter...
Na, na, na, na,na, na na na, hey Jude

WE ARE THE TUNELESS

(to the tune WE ARE THE CHAMPIONS by Queen)

Intro 1 bar and 3 clicks (LISTEN)

We've sung our songs time after time
Sung lots of bum notes but committed no crime.
And bad mistakes, we've made a few
We've had our share of laughs and jeers
But we've come through- **And we need to sing**
on and on and on and on.

We are the Tuneless my friends
and we'll keep on singing till the end.
We are the Tuneless, we are the Tuneless
no time for tuneful
'Cause we are the Tuneless

..of the - **We are** the Tuneless my friends
and we'll keep on singing till the end.
We are the Tuneless, we are the Tuneless
no time for tuneful
'Cause we are the Tuneless
..of - the - world!

When the world, leaves you feeling blue
You can count on me, I will be there for you
When it seems, all your hopes and dreams
Are a million miles away, I will re-assure you

We've got to all stick together. Good friends, there for each other
Never ever forget that I've got you and you've got me, so

CHORUS:

**Reach for the stars, climb every mountain higher
Reach for the stars, follow your hearts desire
Reach for the stars and when that rainbow's shining over you
That's when your dreams will all come true**

4 bars

There's a place waiting just for you.
It's a special place where your dreams all come true
Fly away swim, the ocean sea
Drive that open road, leave the past behind you

Don't stop gotta keep moving. Your hopes have gotta keep building
Never ever forget that I've got you and you've got me, so

CHORUS:

Don't believe in all that you've been told
The sky's the limit you can reach your goal

Follow that rainbow and your dreams will all come true
